# Learn DO-178C From The People Who Wrote It!

**Limited Seating Available** for this one-of-a-kind 3 Day Training Event on the newly completed DO-178C, DO-278A, DO-248C and Technology Supplements, **presented by the SC-205 Committee Leadership**.

- **Marty Gasiorowski**, Chair of the SC-205 Document Integration Subgroup
- **Todd R. White**, Executive Committee Member of SC-205
- **Mark Lillis**, Chair of the SC-205 Model Based Development Subgroup
- **Steve Morton**, Co-chair of the SC-205 Tool Qualification Subgroup
- **Darren Cofer**, Member of the SC-205 Formal Methods Supplement Subgroup

**March 13 through March 15, 2012 at the Ayres Hotel, Ontario, California**

*Several FAA Engineers have already signed up to attend. Learn where the FAA learns.*

## What you'll learn:

- What has changed in the new revisions of DO-178, DO-278 and DO-248 (*and what hasn't changed*)
- The new guidance presented in the Tools, Model Based Development, Object Oriented Technology and Formal Methods Supplements
- How these changes will impact your current and future projects (*You might already comply or you may have to make significant process updates, depending on what you do today*)

## Who should attend?

- FAA and Industry Engineers, Managers, DERs, Software Quality Engineers and others with a baseline understanding of and/or experience working with DO-178B and/or DO-278
  *Note: If you are new to DO-178/DO-278, contact us for other training opportunities to get introduced to these standards in detail*

## Registration Fee:

- If payment is received **by** January 31, 2012, the price is discounted to $695 for 1 person, $645 each for 2 or more people from the same company
- If payment is received **after** January 31, 2012, the price is $995 for 1 person, $945 each for 2 or more people from the same company

## Register at LearnDO-178C.com ■ Register soon – Event will sell out fast!
